

**REMARKS**

In the Notice of Non-Compliant Amendment issued November 15, 2005, the Examiner asserted that the drawings in the present application are not properly identified as "Replacement Sheet," "New Sheet," or "Annotated Sheet". The Examiner further asserts that the drawing changes are not mentioned in the remarks section of the amendment filed September 6, 2005. Applicant respectfully points out that the Applicant did not submit an amendment on September 6, 2005 as mentioned in the Notice of Non-Compliant Amendment. Applicant respectfully submits that an amendment was filed on October 20, 2005. However, no drawings amendments were made.

In addition, the Examiner asserts that claims 1-14 have not been listed with status identifiers. Applicant respectfully points out that in the amendment submitted on October 20, 2005, pending claims 1-30 have been listed with status identifiers.

In view of the above, this application is believed to be in immediate condition for allowance. Accordingly, the Examiner is respectfully requested to pass this application to issue.
